

Learn Every Day About Colors: 100 Best Ideas from Teachers

Teachers from around the globe contributed their favorite activities that they use in the classroom, all focused on topics that teachers use every day! Organized by curriculum area, the activities in each chapter begin with those that are appropriate for the youngest preschoolers and follow with activities that children five years and up will enjoy. Learn Every Day About Colors has one hundred activities for children ages three to six, providing teachers with innovative and fun ways to introduce and reinforce learning about colors. With activities such as My Favorite Color Collage; Rain Painting; The Blue, Blue Sky; and I Can Sing a Rainbow, children will delight in learning all about colors!
