

Culture Briefing Malaysia: Your guide to Malaysian culture and customs

Culture Briefing: Malaysia provides current, in-depth information found in no other single publication to help you understand the culture, customs, values and beliefs of the Malaysian people. Whether visiting Malaysia, working on a class paper or doing business with the Malaysians, you'll find Culture Briefing: Malaysia an invaluable resource. If you're traveling to the country, supplement your travel guide with Culture Briefing: Malaysia. It will let you enrich your trip, giving you knowledge about Malaysian etiquette and traditions and more financial success when traveling on business. You'll also receive the information you need to help you feel comfortable in what might otherwise be a strange environment, including a list of dos and don'ts. You'll gain the wisdom necessary to talk intelligently with the Malaysians, discussing the life they live, deciphering and interpreting how they think and behave. No longer will you run the risk of embarrassment when in conversation with the Malaysian people because you brought up a taboo subject, couldn't comment on an aspect of local life or knew nothing of their form of government. With Culture Briefing: Malaysia you'll discover the character, values, beliefs and world view of the Malaysians. You'll learn of their artistic endeavors and political ways. You'll find out about their home, family and religious life as well as how they make a living, educate their children and spend their leisure time. You'll also discover the problems the Malaysian people face and see how they handle them.
