

English Language Teachers Handbook: How to Teach Large Classes with Few Resources (Vso)

This book provides a highly practical and accessible guide to teaching English as a second language. It is a comprehensive guide to lesson planning and testing, covering all four modes of language (reading, listening, talking, and writing) and the teaching of grammar and vocabulary. With a particular emphasis on the challenge of teaching large classes, the authors provide advice on methods and resources that will make classes both more enjoyable and more effective for teachers and students alike.
