

The Leadership Zone: Lessons from the Front Lines

The Leadership Zone is a holistic manual that deals with the inner challenges of leaders and those who aspire to be leaders. It is a manual that consolidates all the tools of personal and community leadership in one place. The Leadership Zone is a treasure trove of tools that will lead to Happy, Healthy and Wealthy life for anyone who takes it seriously. We are all born to be leaders, but as a result of conditioning by our environment, experiences, and education - we surround ourselves with barriers which prevent us from reaching our full potential, and from being the leaders we are destined to be. The Leadership Zone shows us how these invisible barriers and the mindset of scarcity are created and how to break through them once and for all. It provides us with the tools to overcome these self-created obstacles and take full control of our destiny. It guides us in our journey to our Zone of Leadership - a zone in which we perform at our level of excellence and lead a life by design. It shows us the roadmap to a happy, healthy and wealthy life!
