

## STOP BULLYING (Spanish Edition)

La victima no puede quedar indefensa y vulnerable, la victima no esta sola: nos debe tener a toda la sociedad y el agresor esta solo y en algunos casos cuenta con unos testigos pasivos que silencian cobardias y acosos y con su familia, que puede ser que le apoye erroneamente, en lugar de ayudarle hacia conductas menos antisociales y que favorezcan su futuro como persona digna. Instituciones, Escuelas e Institutos, padres y familia, creemos que estan tratando de atender una situacion tan dificil como el bullying en todas sus formas, pero creemos que es necesaria una eficacia mayor. Hay victimas sufriendolo y hay que impedirlo, mejorando la intervencion, y de forma urgente. No referenciamos estadisticas: un solo caso ya nos situa en la necesidad de ser mas eficaces ante este problema. Prevencion e intervencion que evite el acoso escolar a la victima y tambien una actuacion recuperativa y de reincorporacion social del agresor.
