

## China In Color

Children will find a book about China very interesting. This will introduce children to a new way of life. This will also introduce children how children in China live on a daily basis. This will make children use their imagination to the fullest extent. Children will also be able to find out about different types of food that were never introduced to them. Children can also see how technology affects China on a daily basis. This will be a book they read again and again.
