

Guiding Readers: Making the Most of the 18-Minute Guided Reading Lesson

Guiding Readers argues that the 18-minute guided reading lesson may very well be the finest teaching we do. This practical book introduces a range of specific reading strategies and processes that lead students to access increasingly more sophisticated text, including sequential practical lesson routines, suggestions for selecting appropriate texts for readers at each stage. Teachers will find reproducibles and an appendix that offers information on reading manipulatives and other teaching tools that support the 18-minute guided reading lesson.
