

Human Interactions, Processes, and Contexts: Reflections on the Past and Envisioning the Future

This book is part of the Human and Organizational Learning ELP 25th Anniversary Celebration and explores the development of the field of Human and Organization Learning. Various scholars that have participated with ELP cohorts over the 25 years of its existence, share their unique perspectives and changes-in-views on organizational change, leadership, complexity, organizational culture, and individual and organizational learning.
