

On the Road with Joe

Bob Davidson's father, Joe Pops Davidson, has died. After selling the estate, Bob goes on the road, but he has a passenger along: Joe's ashes, sitting in an urn in Bob's cabover camper, riding in the bed of his old Chevy pickup. Pops' last wishes were for Bob to spread his ashes on top of the Grand Teton in Wyoming; a request Bob's not sure he can accomplish. Travel with Bob as he drives across the great American Southwest, visiting stunning National Parks, flying over Mono Lake in an ultralight aircraft, and even knocking on the back gate of Area 51. The whole time Bob's thinking of Joe, yet delaying his father's remarkable final request. But then, Bob finally meets up with his destiny in the mountains near Jackson.
