

Literacy Strategies Across the Subject Areas

This process-oriented workbook offers 25 reproducible student activity pages supported by extensive pedagogical strategies, for K-12 literacy teachers. Typical product-oriented workbooks offer little guidance or explanation to students or teachers. In *Literacy Strategies Across the Subject Areas*, teachers are shown numerous K-12 instructional strategies for engaging students using blackline masters. The masters serve as a vehicle for aiding the learning process and are based on current research and theory that is the foundation of each of the process-oriented strategies. For in-service educators, as well as anyone involved in education.
