

## The Berenstain Bears: God Bless Our Home (Berenstain Bears/Living Lights)

And the rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. Matthew 7:25

The Bear family is feeling that their old tree house is getting run down and cramped. But as they think about other possible living arrangements, they come to appreciate the true value of their beloved family home.
