

Michelin Must Sees Alaska

The updated Michelin Must Sees Alaska presents a bigger-than-life destination where travelers can marvel at Denali's 20,328ft summit, watch glaciers calve into Glacier Bay, and savor fresh Dungeness crab. Options include a few days enjoying Anchorage's recreational, dining and cultural attractions, a road trip along the Gold Rush Trails, a weeklong Inside Passage cruise, and a wildlife tour of Kenai Fjords National Park (think sea lions, whales, otters and eagles). Evoke your spirit of adventure while accompanied by Must Sees detailed maps.
