

Dawn of the Gods Minoan and Mycenaean Orgins of Greece

A near fine copy in a near fine dust jacket with a hint of edgewear. First American edition. Cloth. Sm. 4to. 303 pp. Illus. with 45 color plates & 150 b/w photos. Jacquetta Hawkes considers the culture of Minoan Crete and Mycenaean Greece, finding in their union the source of Classical Greek culture. The extraordinary discoveries of Sir Arthur Evans at Knossos and Heinrich Schliemann at Mycenae are part of her theme, which touches upon the Homeric epics, the fall of Troy, and the legend of the Minotaur, (publisher).
