

Mustaine: A Heavy Metal Memoir

From his early, crazy days as a founding member of Metallica, Dave Mustaine has seen and experienced everything in the world of rock n roll. From his young triumphs and ignominious ouster from the band for his hard-partying ways to his later rule over Megadeth, one of the most successful heavy metal bands of all time, Mustaine tells it all. Outrageously candid and in-your-face, this is classic rock memoir in the vein of Slash, Motley Crue: The Dirt, and Sound of the Beastan insiders look at the loud and sordid world of heavy metal.
