

Americas Teachers: An Introduction to Education

Through clear, accessible writing and the strongest research base and documentation on the market, this edition offers a positive, teacher-centered view of the profession. Americas Teachers: An Introduction to Education, Fifth Edition accurately reflects how teachers themselves feel about their work. With critical and informative material on teaching as an occupation, the foundations of education, and emerging issues affecting today's classrooms, this textbook provides prospective teachers with a realistic look at teaching. This new edition provides a stronger emphasis on cultural diversity in every chapter, particularly in Chapter 8 and thorough integration of No Child Left Behind throughout the text.
