

The Butterfly Impact: A Story of Unexpected Courage and Transformation

A longing for love, wrong choices, consequences and agonizing self-sacrifice make up Raina's past. The shame, guilt and heartache follow her everywhere yet she can no longer ignore God's calling to journey to a distant land to share His truth and love. Leaving behind her familiar Midwest roots Raina steps out in faith and finds that God's plans exceed all expectations. She delights in her new home and learns to love the people of the Philippines. As she grows in confidence she is faced with another life-altering decision that could lead either to more heartbreak or the love she has yearned for all her life. Can she overcome her shyness and insecurities to take another leap of faith? Will she fall flat on her face or learn to fly? First she must reveal her ugly past . . . Laugh, cry and rejoice with Raina as God's healing love gives her courage to do more than she ever dreamed possible. This fictionalized story is based on real life events.
