

THE LITTLE WORLD & WORLDS WITHIN WORLDS (TRAVEL ESSAYS) (Timeless Wisdom Collection)

This volume contains TWO COLLECTIONS OF TRAVEL ESSAYS by English feminist, novelist, poet, and travel writer Stella Benson. A friend of Virginia Woolf, Naomi Mitchison, Vera Brittain and other powerful women of her time. Her novels and stories often treat serious social issues and reflect her travails as a twentieth-century woman: supporting female suffrage, witnessing the tragedy of the First World War, and living in a hostile, volatile colonial setting. Her works are now undergoing a reappraisal, as people understand her influence and the battles reflected in her writing. Her travel essays, witty and full of colorful descriptions, transport the reader to the U.S.A., China, India, Vietnam (Indochina) and may other destinies in the first part of the 20th century. We have included: THE LITTLE WORLD WORLDS WITHIN WORLDS
