

The Rough Guide to Southwest USA 4 (Rough Guide Travel Guides)

Comprehensively covering New Mexico & Arizona, and stretching into some highly visited parts of Nevada (Las Vegas) and Southwest Colorado (Mesa Verde National Park), the Rough Guide to Southwest USA covers the region not just as a collection of states but both in the manner people tend to visit and by defining what the Southwest means. The area is one of the great road trip destinations in America, full of scenic national parks, unusual geological formations, unique cities like Santa Fe, vintage Americana, and Wild West towns. There are great features on Southwest movie locations, native peoples, adobe architecture and the like, and plenty of practical details and descriptions for hikes and other outdoor activities.
