

The Secret American Dream: The Creation of a New World Order with the Power to Abolish War, Poverty, and Disease

Following the success of his bold revisionist history *The Secret Founding of America*, Nicholas Hagger now looks ahead to an astonishing future for the U.S. and the world. As he sees it, we are entering of a new phase of history, one in which the traditional American dream will be extended throughout the globe, bringing peace, social order, and prosperity to all humankind. Visionary in scope and full of optimism and hope, this is a powerful antidote to today's prophecies of gloom and doom.
