

The southern gates of Arabia,: A journey in the Hadhramaut (Penguin books)

In 1935, the author set out to explore the wild, desert mountains, the palaces and cities of Hadramaut and travelled the Incense Route inland from the southern shores of Arabia. Along the way she encountered Sultans and Bedouin tribespeople, the harem women of Doan and the Mansab of Meshed. This is the story of her travels. The author also wrote *Dust in the Lions Paw* and *The Coast of Incense*.
