

Nanjing and the Lower Yangzi: From Past to Present, The New Yangzi River Trilogy, Vol. II

The second volume in the Yangzi River trilogy, this useful travel guide provides up-to-date practical information on exploring Nanjing and cities along the lower Yangzi River. It includes places to stay and hassle-free ways of getting around. Unlike many other travel guides, this book also gives detailed historical backgrounds to the places explored, and much of this information was previously only available in the Chinese language. This guide gives the traveler an educated insight into the significance of the structures and places encountered on the journey.
