

Uzbekistan Travel Guide (French) (Discovery Central Asia, 9)

From the blue-tiled splendor of Tamerlanes Samarkand to the Holy city of Bukhara, boasting a mosque for each day of the year, and beyond the desert-girdled khanate of Khiva, Uzbekistan lays claim to breathtaking architectural legacy. Bound by sand and snow, fed by melt water from the Roof of the World, these fertile oases attracted the greatest travelers and conquerors in history along the fragile threads of the Silk Road.
