

The History of Western Carolina College: The Progress of an Idea (Enduring Editions)

In clear, forceful language, the author traces the early history of the college, the physical development of buildings and campus, the variety of student affairs, and the make-up and character of college committees, faculty, and administration. It is also a tribute to President Emeritus Bird, who served the college for thirty-seven years. Originally published in 1963. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.
