

# 15 Fun-to-Sing Math Learning Songs & Activities: Delightful Math Songs Set to Your Favorite Tunes With Lessons and Easy-to-Make Collaborative Books ... Math Skills—and Help Meet the NCTM Standards

Teach early math concepts with 15 songs sung to familiar tunes that your students will love! First, children explore a math concept through a collaborative singing activity, and then reinforce their understanding by creating their very own page to contribute to a class book. Teaches adding and subtracting, patterns and graphing, sorting and classifying, time and money, and more. With reproducible patterns, cross-curricular extensions and assessment ideas. For use with Grades K-2.
